Point Verification Form for Tau Beta Pi National Engineering Honor Society

All initiates need a total of 15 points, with a minimum of 3 points from each category. Signatures should only be from Tau Beta Pi Officers who are attending the event. The point sheet is to be signed upon completion of the event. If no officer is present at an event posted on our calendar, we ask you take a picture of yourself at the event and show an officer to prove your attendance. If the event was not posted on our calendar, you must take a picture of yourself there and write a half page report as to why the event is Engineering/Tau Beta Pi related. One Resume critique is also required of all initiates, from either a TBP officer or the Career Services Center. Please have the resume reviewer sign in the designated place. The mandatory resume critique will count as one point from the P/A category.
